APRIL 2011

Spring is finally here and that means that we are bursting with excitement. April is a month for celebration. This month is very special because it is The Month of the Young Child.

Monthly Activities

This month we will be studying and learning about plants, bugs, sorting numbers, patterns matching and Easter. These are just a few fun arts and crafts we have planned. We will be engaging in many arts and crafts activities associated with the holiday.

Field trips

We have two fieldtrips planned for this month. Our class will attend the McWane center on Tuesday, April 19th and we will also attend the art-walk at Linn Park on Friday, April 29th. We will be walking to both fieldtrips so, parents are not required to go but you are welcome to join up because chaperones are needed.

Our class will be ordering red t-shirts. We would like to have the shirts ordered by April 8th so that we can have them made in time for our

first fieldtrip. We will be ordering from the same company we usually order from so, remember the sizes do run small. The shirts will cost about \$3.90.

Vacation

Ms. Octavia will be on vacation starting April 5th-12th Ms. Natasha Parker will be the sub in my absence.

Remember to:

- Our egg Hunt will be Friday April 22nd @10:30
- turn in your t-shirt order form.
- check your child's cubbies. The weather is getting warmer so, make sure that your child has at least one set of weather appropriate clothing. Please make sure their clothing is labeled.
- Sign- in and out everyday using your full name.
- Not to bring in any toys from home.

As always thank you for all you do!
