

Infant News

March 2011

Dear Parents,

We have reached another month with our infants they are growing and becoming very mobile. Since they are beginning to exploring, we will begin to visit next door on Wednesdays while the creepers are outside in the morning. Weather permitting we will begin to have outside time everyday. Please make sure to bring jackets, shoes and socks in case of cool weather. We have enjoyed doing artwork with pudding, paint and cool whip the babies love it!

On March 17th, we are going to celebrate St. Patrick's Day so we will have a little party for our eating babies. We will post a sign up sheet for snacks to bring. Don't forget to send your baby in something green!

Please remember to sign in and out using your full name this is required by DHR. Be sure to check your babies cubby and mailbox. Don't forget to fill out a medication form every Monday in the office if your child requires any medication (diaper cream). Check cubbies for weather appropriate clothing. And don't forget to bring a jacket or sweater for outside play. Remember if you have any questions or concerns please feel free to talk to us. We want to make you as comfortable as possible while your child is in our care.

We would like to welcome Markus Drake Barbaree Tasker and his family to our class. I know all of you will help us make them feel welcome!

Happy 1st Birthday

Beau Raines
